Congratulations to all!

The Golf Gods again looked upon us & gave us a fantastic day for our outing.
It was a cool & breezy day but a day very conducive to 18 holes of golf.

Breakfast, for those who had the time, consisted of the traditional Spudnut
donuts and excellent, fresh coffee.

Adequate snacks & beverages were available at the turns

Lunch was catered by the Subway people under the watchful eye of our own Paul Swiz, and
his very capable assistant Emil Staub. They did an outstanding job, as per usual, of managing the
lunch operation. Their work was beyond appreciation.

It is a task not too many people would take on. They both deserve a huge Thank You.

Universal Catering prepared the Pig Roast. Dave and Debbie have provided us with excellent roasts in past years
and this year was not an exception. All that can be said of the roast is that it was fantastic and outstanding.

We thank Rich & his staff at Skyland Golf Course; they have provided us with exceptional cooperation & courtesy.
